### **3-Hour Delay Option Announcement**

The Lewis County Board of Education recently approved a new 3-hour inclement weather delay option. This option will potentially allow for school to be in session for one-half day. We will still use the 2-hour delay option in most weather related situations.

When and if a 3-hour delay is called, parents will simply add three-hours to the regular bus pick-up and/or school arrival time. A "Grab and Go Breakfast" will be available for any student as they arrive. Students may either eat it or take it home for a snack. Lunch will be served as normal. If you have any questions, please contact the school your child attends or the bus garage.
