

Lewis County Schools is excited to announce the start of their newest adventure, Camp Comeback! After everything that has happened over the last year, we want our students to get excited about school and enjoy their summer break! Each elementary school will be offering their own campsite for their students! We will be open for camp on July 1st through July 30th from 8:00-2:00 each weekday. Our campers will enjoy various activities involving art, STEM, physical education, and music while incorporating mathematics and reading along the way. Campers will enjoy a breakfast and lunch each day and transportation will be provided on a limited bus route. If you are interested in enrolling your child for Camp Comeback, please contact your school and fill out the registration form.
