Dear Parents and Guardians,

As we continually work to improve communications with our families and the community, Lewis County Schools is expanding its communications to include SMS text messages using SchoolMessenger. SchoolMessenger is used by central office and school administration to communicate in emergency situations as well as inform parents of day-to-day progress and school events.

Parents and guardians who would like to receive text messages from Lewis County Schools via SchoolMessenger must have their cell phone on file with the school their children attend.

We will only send text messages to cell phone numbers whose recipients have agreed to receive them. We invite you to fully participate in the process by opting into SMS Text messaging on Wednesday, January 31, 2018. Please review the following steps:

1. An Opt-in invitation will be sent, via text message, to all current cellular users on Wednesday, January 31, 2018, at 5 pm. The invitation message will come from 67587.
2. If you wish to receive SMS Texts from Lewis County Schools, simply send a reply containing "Y" or "yes" to verify.
3. If you do not wish to receive SMS texts from Lewis County Schools, simply send a reply containing "stop."

\*Text messages can be started or stopped at any time, by simply texting "yes" or "stop" to 67587. If you have further questions, please call Lewis County Schools at 304-269-8300.\*

\*Standard message and data rates may apply.\*
