Additional tips to find missing scores

Match College Board Student Account and Scores

If a student is signed in but doesn't see their scores, it means we weren't able to link their score report and account automatically. For security reasons, a student must verify more information before we can display their scores. They'll need their [State Assigned Student ID \(SASID\) number](#).

1. Click **Matching Tool**
2. Review personal information.
 - a. If any information is incorrect, click **Update** to revise. Students are prompted to reenter their password.
 - b. If the information is correct, click **Get My Scores**.
3. **Choose to match by Student ID number** if a match still isn't found. Students enter their SASID, and click **Get My Scores**. To match SAT students can also use their Registration number

Score Sends

Sending Your Scores

Most colleges require applicants to send official score reports directly from the College Board—they don't accept copies of online score reports or score report labels on transcripts.

Your Score Recipients

You've asked us to send your scores for this test day to the colleges and scholarship programs listed below. If a score recipient is missing, contact Customer Service at 866-756-7346.

Timing

- If you took the SAT with Essay, your scores will be sent to colleges after your essay scores have been released.
- Score delivery schedules depend on whether colleges receive scores electronically or on paper.
- It may take colleges an additional week to process your scores after they receive them.

Name ↕	City, State ↕	DI Code	Date Sent ↕	Status ↕
Dickinson College	Carlisle, PA	2186	01/19/2017	Fulfilled
Rice University	Houston, TX	6609	01/19/2017	Fulfilled

California Institute of Technology	Pasadena, CA	4034	01/19/2017	Fulfilled

Additional Score Reports

You can choose which scores you send to colleges, by test date for the SAT and by individual test for SAT Subject Tests. But keep in mind that some colleges require you to send all your scores. [Watch the Score Choice™ video to learn more.](#)
